ABOUT SML

Risk management services supporting the insurance underwriting and claims community worldwide.

These services have one goal: promoting safety while preventing risks.

Established in April 2007, SML has constructed a team of knowledgeable individuals whose mission is to provide value added services to the insurance marketplace. SML does not sell insurance and operates with complete impartiality and independence.

SML is composed of insurance and safety professionals with decades of combined experience in the areas of underwriting, loss control, premium audits, claims management, program management, and risk analysis.

We have the talent and resources to get the job done right and in a timely manner. Our products provide meaningful information to the underwriting and claims community.

At SML, we pride ourselves on our commitment to our clients. If you are not completely confident with our services, we want to know. Our only measure of success is your satisfaction.

SML CUSTOMERS
